 **MARUTI SUZUKI**

BALENO RS

Rule the roads

Road Sport pioneers a line-up of high-performance cars in NEXA, designed to deliver an unmatched driving experience. The Baleno RS is the first of such cars. Built for those who look for more performance in their everyday drive, it combines the powerful BoosterJet Engine with an edgy sports styling.

Made of Speed

|||||
Baleno RS is built for speed enthusiasts. The car sets your heart racing with its powerful performance and road handling.

Power to thrill

|||||
The Baleno RS is ready to set the roads ablaze. It's equipped with Maruti Suzuki's latest innovation – the 1.0 BoosterJet Direct Injection Turbo Engine. This revolutionary engine delivers exceptional power and torque with lower emissions. A true silent performer, BoosterJet Engine is a compact, light-weight yet powerful engine with an output equivalent to an engine of much greater displacement.

Feel the rush from within

The Baleno RS gets your heart racing with its sporty look, which extends into its interiors. As you step inside the car, you notice the stunning all black interiors waiting for you to take control and prepare for a thrilling experience.

Infotainment on the fast lane

The Baleno RS has a dashboard that comes with a host of exciting features. It has coloured TFT multi-information display to keep a track of its performance. It also comes with a SmartPlay Infotainment System that ensures you stay entertained as you cruise along the roads.
